In accordance with the provisions of section First.1.4 of the eleventh additional provision of Law 22/2015, of July 20, on Auditing Accounts (hereinafter, LAC), the Group's Spanish operations (see Section 3 below) (hereinafter, "the Spanish entities"), a subsidiary of Omnicom Group Inc, is required to publish and make accessible a report regarding corporate tax or taxes of similar nature consolidated at the level of the ultimate parent company (EU public country by country report) for fiscal year 2024/2025, given that:

- The Spanish entities are subject to Spanish law, considered medium or large sized subsidiaries, according to the thresholds set out in Article 3 of the LAC, and

To comply with this obligation, the Spanish entities have requested Omnicom Group Inc to provide all the information required by the eleventh additional provision of the LAC. However, this information has not been made available to the Spanish entities because the group information was not yet available at the time of preparing and filing this report.

Therefore, the Spanish entities have prepared the report on corporate tax required by the eleventh additional provision of the LAC, considering only the information of the Omnicom Group in Spain, available at the time of filing, without prejudice to the fact that the definitive information will be included in the report on corporate tax of the entire group that will be published in another EU Member State, within the 12-month period provided for in Directive 2021/2101, which amended Directive 2013/34/EU as regards disclosure of income tax information by certain undertakings and branches.
